

We did it again!

Our Bonds department has once again been listed as ABSA's top performers, scoring 100% in June and July. Our excellent performance contributes to ensuring that the Western Cape remains on top of the national performance chart!

Staff training by Nedbank recently took place at our office. Posing with Matina Angeliniadis and Yasmin Jadwat are Chester Ferris - Financial Fitness Coach (second left) and Feizal Benny - Senior Financial Planner (second right). Our thanks go to the trainers for their valuable time and information sharing.

Birthday Club

At Pincus Matz we really do enjoy sharing and celebrating special occasions. Our recent Birthday Club cocktail function gave us the opportunity to bid farewell to our Attorney Liaison from Absa, Benny Bester. He has been our friend and ally for 14 years. While we will miss his humour, energy and drive, we wish him health and success on his new journey called "Retirement". Benny is third left in the back row.

Planning a Wedding?

Remember that a well considered antenuptial contract smooths the way to a better future.

Planning your wedding day is one of the most exciting undertakings you will experience in your lifetime. So too, your antenuptial contract is one of the most important documents you will sign in your lifetime.

We understand that choosing flowers and fabrics is more fun than signing contracts. But, with our guidance and personal service, you will be empowered to make the right legal decisions for your special relationship and for your unique needs.

Our desire is that your preparations run just perfectly so that you can look back on your special day with wonderful memories.

Serious about law, passionate about people, the Pincus Matz partnership has been here for 85 years and offers a wealth of experience. Combined with energetic professionalism and a drive to be exceptional in everything we do, you can rest assured that you are in good hands. Our services extend to Commercial, Property, Litigation, Collections and Notarial Work, which means that we are able to assist you with the purchase of your home, the setting up of your business and whenever life happens and you're faced with legal challenges.

At Pincus Matz going the extra mile comes standard as we value the relationships that we have built over the years, and we welcome your enquiry.

Staff Birthdays

Our very best wishes go to Abby Bassadien who celebrated her birthday on 21 July.

May I compliment and thank you for bringing this to my attention. Your business ethics are something to be proud of. Although I received brilliant service during my transfer of Tamarisk and was comfortable to recommend your company to others it will be enforced even further now. Andre Dreyer

Thank you and your firm for the fast, efficient and understanding service rendered in the registration of my bond. All the success to yourselves for the future. Ryan Clark
