

The greatest little birthday club in town

Still a firm favourite, 'the greatest little birthday club in town' is a very special way for the partners of Pincus Matz to connect with our clients. Judging by the feedback, our guests enjoy the celebrations as much as we do.

Jonkershuis Restaurant at Groot Constantia was the venue for a July birthday club breakfast. In August we enjoyed a lovely breakfast and good company at the Vineyard Hotel in Newlands.

Wills & Estates

Planning around your unique circumstances

What do you leave to your family in your will and how should you word it? What is fair, legal and enforceable? It is not an easy task.

At Pincus Matz, we offer a personal service that ensures that your will is in line with your estate plan.

Estate planning

- An estate plan is essential for everyone and can be as simple as drawing a will but may include an assurance analysis, tax planning and the formation of a trust.
- It is essential to put into place or revise an estate plan when you acquire or sell assets, or when your family circumstances change.
- We help you to plan your affairs, particularly the structure of asset ownership, to ensure that your estate is as tax efficient as possible and that the administration of your estate proceeds smoothly.

Drafting and updating of wills

Your will is an extremely important and personal document. It will determine how your assets are dealt with when you die. Your will should be in line with your estate plan, meet the needs of your family's circumstances and should be regularly updated to keep abreast of changes in your life and current legislation.

To avoid confusion and unnecessary litigation, it is vital that professionals handle the drafting of the document. At Pincus Matz we have the knowledge and expertise to ensure that your will is both valid and enforceable.

Winding up of deceased estates

We provide personal attention to your family and the efficient administration of your estate as prescribed by the Administration of Estates Act and the Master of the High Court. We have the staff and expertise to deal with disputes and any legal questions which may arise during the process.

Our aim is to ensure a comfortable and stress-free experience in your dealing with this sensitive area of the law.

Staff Birthdays

Every month we draw names out of a 'hat' to select the organisers of the next staff lunch. We are so impressed with the results. July had us enjoying a delicious hot meal and everyone dressed up in red. In August much fun was had with a Rock 'n Roll theme. Well done team!

Boebie Hendricks and Abeseyah Bassadien celebrated their birthdays in July, and we wish them all the very best.

Thanks ever so much for a delicious birthday breakfast at a most exquisite venue. A scrumptious meal, with familiar faces, both colleagues and friends. Time marched on so so quickly with the general chatting about various topics. I really enjoyed it. Brent Farrell

My sincere appreciation for a wonderful morning. Taking time out, sitting to eat whilst sharing wonderful stories couldn't have come at a more opportune time for me. I came back feeling so positive and loved! Most of the time I am 'eating on the run', so thanks for the special and memorable birthday gift. Beulah Fredericks
