Going Places in 2018

Successful people, and successful businesses are known to focus on the end goal, on the desired outcome. They plan well, and they enjoy the journey. In life, and in business, we would be wise to plan our route, to check the road map from time to time, to make sure we are on track, to allow ourselves to have some fun, and even to deviate a little from time to time, as we go towards our desired destination.

Whatever your dream, wherever you aim to be in life and in business, Pincus Matz is here to offer expert legal advice as you plan – and as you go places with confidence! Dream. Plan. Go.

We're going to the Chapel ...

Planning your wedding day is one of the most exciting undertakings you will experience in your lifetime. So too, your antenuptial contract is one of the most important documents you will sign in your lifetime. We understand that choosing flowers and fabrics is more fun than signing contracts. But, with our guidance and personal service, you will be empowered to make the right legal decisions for your special relationship and for your unique needs. Our desire is that your preparations run just perfectly so that you can look back on your special day with wonderful memories.

TIMELINES

- The parties must execute the antenuptial contract in the presence of a Notary Public *before* the day of their marriage.
- The anc must be registered at the appropriate Deeds office within three months of it being signed before a Notary Public.
- After the anc is lodged at the Deeds office by Pincus Matz, it goes through a checking/examination process

at the Deeds office which may take two to three weeks before it is ready for registration.

- After the anc is registered it is microfilmed and data captured at the Deeds office. It may then take three to four months before it is ready for collection by Pincus Matz.

Going to Celebrate

Going places to celebrate with clients and colleagues is part of Pincus Matz culture. We hosted the first Birthday Club Breakfast of 2018 at the Open Door Restaurant at Constantia Uitsig, and thoroughly enjoyed our time out. Visit the Pincus Matz Facebook page for more photos.

Staff Lunches — Going Places

Our 2018 marketing theme of *Going Places* extends to our monthly staff lunches which are held in our boardroom. Early in the year we plan a roster and every staff member has the opportunity to be part of the planning and set-up of a themed luncheon to be enjoyed by the Pincus Matz

family. Our first function, held last week, was organised by Martine and Tasneem. Well done to the two ladies who delightfully themed the lunch "*Going to the Chapel*".

Happy Birthday!

Our very best wishes go to Pat Johnson who celebrated her birthday on 13 January, to Tasneem Rorich who celebrated on 23 January and to Caryn Avenant who celebrates on 28 February.
