

“What the new year brings to you will depend a great deal on what you bring to the new year.”

— Vern McLellan —

Best wishes to you and your loved ones this festive season.

Our office will close at 16h00 on Friday 20 December 2024 and will reopen on Monday 6 January 2025

REFLECTING ON A SUCCESSFUL YEAR

As the year draws to a close, we reflect on the connections that have made 2024 a year worth celebrating. Our end-of-year function was held at Star Dust, and served as a reminder of the strength in teamwork and the shared vision that drives us to deliver solutions and achieve our goals.

We look forward to connecting with all our valued clients again in 2025!

BOSSSES DAY

Bosses Day is all about the leaders who care about other people's achievements, not simply about titles. Outstanding leaders push us to reach our full potential, encourage us to succeed, and acknowledge our accomplishments. As we commemorate this day, let us take a moment to express our gratitude to those who contribute to a more fulfilling and positive work environment.

CONGRATULATIONS

Let's take this opportunity to wish Les Masterson a congratulations on fifty years of being an admitted attorney and fifty years of marriage to his wife Jenny Masterson. Here's to many more happy years.

WHO DUNNIT?

Making connections is an integral part of human nature, and during October, Pincus Matz staff utilised this skill by playing a murder mystery game. Each team member was assigned a character, which ranged from, detectives and suspects to innocent bystanders, and together, everyone worked to solve the "murder" that had unfolded. Everyone dove into their roles, channelling their inner Sherlock with clues scattered around the room and subtle interactions creating the perfect puzzle. It was the ideal way to mix fun and teamwork, with each person bringing their best detective skills to crack the case.

THE GREAT OUTDOORS, INDOORS

During November, Pincus Matz embraced the spirit of the great outdoors—without leaving the comfort of their workplace. Who says you can't bring a little wilderness and adventure to the office? It was a chance for all to step away from the usual routine, have fun, and connect over something a little different.

PINCUS MATZ STAFF APPRECIATION AWARDS

Congratulations to Amanda Ndwanya and Franklin King, the recipients of October's Staff Appreciation Awards, and to Nina Devlin, Les Masterson, Yasmin Jadwat and Alison Tooley, who received the award in September. Thank you for upholding the Pincus Matz work ethics, our values and culture. Your part contributes to the bigger picture just as every piece of a jigsaw puzzle is essential to complete the picture.
