PASSIONATE ABOUT PEOPLE

Meet our Professional Team

Alison Tooley

B.A. LL.B (UCT) CFP®

PARTNER :
Conveyancing &
Property Law

My team and I aim to achieve registration within the period agreed by the parties and as efficiently as possible, with minimum fuss while complying with all the stringent requirements imposed by the law and various role-players. We are proud panel attorneys for the four major commercial banks.

I believe in using my property law skills to give back : by serving as an examiner for the conveyancing examinations and on the property committees of the Methodist Church of Southern Africa.

Yasmin Jadwat

B.A. LL.B. (UND) H Dip Tax (UCT)

PARTNER :
Wills and Estate Planning
Administration of Estates

My focus is on helping clients in a sensible, considerate and practical way to wind up estates and to deal with all aspects that are required, in the process, such that our clients receive excellent service from us. I believe that my strongest attribute is conscientiousness. I am also able to effectively communicate with most people and I have come to realise, over the years, that communication is key in every aspect of business and life.

I strongly believe in continued service to the profession and I attempt to nurture and motivate less experienced colleagues and candidate legal practitioners. I serve as an examiner for the Competency Based Admission Examinations and as a member of the Disciplinary Committee of the Legal Practice Council. I am also a member of the Fiduciary Institute of South Africa (FISA).

In the last ten years as a partner at Pincus Matz, I have been privileged to work with competent and inspirational erstwhile partners who have profoundly touched my life and I will forever be grateful for their wisdom and camaraderie.

Matina Angeliniadis

B.A. LLB (Wits)

CONSULTANT :
Marketing & Notarial

At Pincus Matz I have honed my skills as a people and relationship manager and have seen myself as someone who bridges gaps. My roles and responsibilities have evolved over the years but in essence sound legal practice requires knowledge, intuition, collaboration, sensitivity and wisdom- characteristics that all the professionals bring to the firm.

Pincus Matz has a strong culture of supporting the professional structures and I joined my partners in becoming an examiner for the Attorneys' Admission Exams as well as Notarial Practice Exams, and serving on the LPC Investigation Committee. I found this empowering and fulfilling on a personal level whilst being of service to the Legal Practice Council too.

Les Masterson

B.Com LL.B (UCT)

CONSULTANT :
General Practice

I have been practising law in the Southern Suburbs of Cape Town for more than fifty years. During this time I have covered virtually every aspect of law. Even at the ripe age of seventy seven, I am available to help all our clients in whatever way I can and back up our younger colleagues when they need it.

Janet Mc Intosh

LL.B (UFS)

PROFESSIONAL ASSISTANT :
Dispute Resolution
& Commercial

Although I have a passion for appearing and arguing in both the High and Magistrates' Courts, I focus my attention on resolving disputes for clients outside of court. Litigation should always be the last option. That being said, there are instances where it cannot be avoided. I enjoy solving legal problems for clients in various areas of law, but I have a keen interest in property and commercial law.

Our firm's motto "serious about law, passionate about people" resonates with me, and I try to apply this in every matter I handle.

Martine Murphy

LL.B (UWC)

PROFESSIONAL ASSISTANT :
Wills and Estate Planning
Administration of Estates

I am part of the Wills and Estates Department, and I attend to the administration of deceased and curatorship estates, assist in Trust administration and the drafting of Wills. I approach every matter eagerly and aim to provide our clients with friendly and professional service, and I enjoy assisting clients in navigating the complexities of the law.

Nina Devlin

B.SocSc LL.B

PROFESSIONAL ASSISTANT :
Conveyancing
& Property Law

I assist in all aspects of the conveyancing process, whether that be the transfer of a property, the registration of a mortgage bond or cancellation of an existing bond. This involves daily attendances at the Cape Town Deeds Office, liaising with various municipal agencies, managing agents, and the South African Revenue Services to obtain clearance certificates and receipts required in terms of legislation, the drafting of transfer and bond related documents and facilitation of signature thereof, as well as the management of relationships between our clients, banks, estate agents, and linked Attorneys. My objective is to ensure a smooth and efficient process from receipt of an instruction to registration at the Deeds Office.
