## WHEN WOMEN FIGHT FOR WHAT IS RIGHT

*Freedom cannot be achieved unless the women have been emancipated from all forms of oppression. — Nelson Mandela*

The legal fraternity has progressed significantly in recent years in recognising that women too, can be competent lawyers who can successfully fulfil the roles of magistrates and judges in our courts, lecturers at our esteemed universities, advocates, attorneys and corporate legal advisers.

Pincus Matz is a 100% female owned and managed legal practice that successfully competes in Cape Town's legal services industry.

We are serious about the law and passionate about finding solutions for both men and women from all walks of life with a variety of legal requirements.

We believe that our abilities and professionalism as women in law renders us capable and worthy of serving the legal field even in the most demanding of roles.

## THE PINCUS MATZ PENGUIN PROJECT

Congratulations to Laverne Nolan and Abubaker Hendricks (aka Boebie), the latest recipients of the Pincus Matz Penguin Award lucky draw.

We love Laverne's infectious laughter, her can-do attitude, her big hugs and of course, that her bookkeeping skills ensure that the firm's accounts are kept in order.

When Boebie takes the Pincus Matz brand out on the errands he runs for the firm, his charming and friendly nature goes with him too. He is obliging and enjoys finding solutions.

The Penguin Project aims to promote the desirable characteristics of penguins, and reward staff who also look smart; are warm, friendly and charming; loyal and devoted; united, sociable and adaptable and thrive even in adverse circumstances.

## A FEEL-GOOD STORY ABOUT PINKY & MATZI

In keeping with the Pincus Matz Penguin Project, we recently offered support to SANCCOB, and 'adopted' two penguins. We were delighted to receive an update from their Marketing and Fundraising Co-ordinator, Xola Tsewu, and simply had to share it with our readers!

Good news! I am delighted to report that both Pinky and Matzi were successfully rehabilitated and released back to the wild. Pinky's admission weight was 1,15kg and release weight was 2,6kg which is a great weight for a little Blue penguin. Matzi's admission weight was 1,4kg and release weight was 3,3kg, quite a fatty, and this is all thanks to your donation. SANCCOB really appreciates your support. You have helped in saving these penguins and they are now out there healthy and strong.

### HOW TO MAKE YOUR OWN ORIGAMI PENGUIN

Penguins seem to have captured the attention of others too.
