

Facing our Heritage

A people without the knowledge of their past history, origin and culture is like a tree without roots.

REMEMBERING OUR ROOTS

Heritage embraces many aspects of our being, from our ethnic or national identity, to the values that have been passed on and instilled in us over generations. Our roots ground us. They support our culture and allow us to grow.

At Pincus Matz we are deeply rooted in the values that we have inherited and upheld over more than 90 years of legal practice. This has shaped the ABC of our culture to better serve our clients and our community.

ACT with integrity • BUILD and nurture relationships • CARE and be fair

A COLOURFUL GATHERING

At our September staff get-together we acknowledged the diverse cultures of our people by dressing up for the occasion. Colourful hints of Greek, Indian and Malaysian attire appeared amongst a predominantly South African theme. After some formalities we, of course, tucked into the truly Capetonian Gatsby treat! Our heritage may be varied and diverse but some things will always connect us like the appetite we have for connecting with one another, a satisfying Gatsby and the passion we have for our work at Pincus Matz.

THE PENGUIN AWARD

Yasmin Jadwat and Amanda Ndwayana are the recipients of the September Penguin Award. Nominated by Laverne Nolan, the previous recipient of this coveted award, we appreciate the special qualities displayed by both Yasmin and Amanda.

Yasmin is loved for her generosity. She is considerate and always thinks of others. Her caring nature and drive to be fair bodes well in her position as the head of our Wills and Estates division.

In her important role as Pincus Matz messenger, Amanda is hard-working, reliable, accommodating and gentle in nature.

A CULTURE OF COURAGE & KINDNESS

We love this year's Casual Day theme "Courage & Kindness" which is inspired by Disney's 'Princess Celebration' and supports The National Council of and for Persons with Disabilities (NCPD). President Cyril Ramaphosa's request to fight the "second pandemic", namely, Gender Based Violence, inspired NCPD further, to highlight the importance of Courage & Kindness during these challenging times.

Pincus Matz took part again this year and contributed to this worthwhile campaign.

Another special day, Secretaries' Day, or, as is known to the Pincus Matz staff: Administrative Professionals Day, was celebrated on the same day. We all took a little time out to enjoy some special treats and to acknowledge that the work of our team of administrative professionals does not go unnoticed. FACE TO FACE WITH PINCUS MATZ FAMILY

The Pincus Matz family celebrated two birthdays: Lavirta Mullins, who works in our Bonds Department, on 30 September, and Janet Snyman, a Professional Assistant in the Litigation department, on 3 October. We wish them both a very, happy birthday and many years of good health.
