

ON THE BRIGHT SIDE

A MESSAGE FROM OUR PARTNERS

A new year brings with it the wonderful opportunity to take stock and refocus on the things that are important to us. Our hope for 2022 is that we will see more stars than dark skies.

To encourage us, we at Pincus Matz have chosen the theme

On the Bright Side

Our motto for the year: *Looking on the bright side in 2022*, will feature throughout our communications this year, and drive us to continue to always find solutions for every legal matter with which we are presented, uphold our core values, respect our culture, and at all times, strive to deliver on our promise:

- act with integrity
- build and nurture relationships
- care and be fair.

Hope is being able to see that there is light despite all of the darkness. Desmond Tutu

THINGS WE LOVE

'Tis the month of love, and the time of year that fills us with so much hope for all things lovely to brighten up the months ahead. In this our first newsletter of 2022, we share some of the things that bring us joy at Pincus Matz, and allow us to love what we do.

We love Romance

The silver lining shone brightly for three Pincus people last year. Congratulations to Janet, Tershia and Martine who were proposed to last year. May your engagements be a wonderful time of preparation and planning for your weddings.

... and we love to help you plan your wedding

We will leave the fabrics and the flowers to you! But we love to help couples with the important legal aspects of their commitment. So give us a call **before** you say "I do" and let us draw up an ante-nuptial contract that gives you peace of mind.

Did you know? The anc must be registered at the appropriate Deeds Office within three months of it being signed before a Notary Public.

You never lose by loving. You always lose by holding back. Barbara De Angelis

HOW LOVELY TO WELCOME NEW SMILES

We welcome three new faces on the Pincus Matz team. May your days with us be prosperous and prepare you well in your chosen career.

My name is Nina Devlin. I come from a large, blended family and live with my parents and my sister in Lakeside. I grew up as an Expat in the United Arab Emirates. My family lived there for 13 years before we returned to Cape Town in 2013. I matriculated in 2016 and I obtained my BSocSc (Law) and LLB from UCT in 2019 and 2021 respectively. My aspiration is to become an attorney, notary, and conveyancer. I enjoy the outdoors and am an avid hiker and camper.

My name is Robynne Landore. I am a fur mom to my rescue pup, Brody Bunch. I have an older brother, who is a doctor and aspiring surgeon. My mother is a high school educator at Ocean View Secondary. I have a keen interest in volunteering at animal organisations, such as Afripaw. I've been an active netball player and continue playing indoor and outdoor most weeks. My aspirations in life are to be happy. I would like to be a successful attorney.

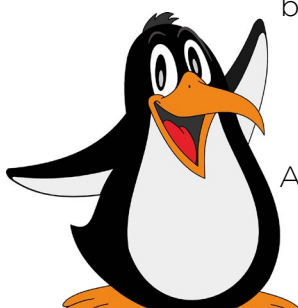

My name is Tershia Cathy Collop, I am the eldest of two siblings. My younger sister is 19 years old and studying her Bachelor's Degree in Education at the University of the Western Cape. My mother is an educator and my father is a contractor. My interests include learning more about Family Law as well as Litigation and my hobbies include writing poems as well as doing spoken word. I aspire to become an admitted Attorney specializing in family law.

After the storm comes the rainbow

WE LOVE TO REWARD GOOD WORK

We love the enthusiasm of the Pincus Matz team. Individual and combined efforts do not go unnoticed. The Pincus Matz Penguin Project is one of the ways in which we acknowledge and reward Pincus People for being "serious about law and passionate about people."

In January Matina Angeliniadis and Melanie Wilson were the proud recipients of this coveted award.

WE LOVE TO CELEBRATE

Very best wishes go to four Pincus people who will soon be celebrating their birthdays: Robynne Landore (Estates) on 16 February; Yasmin Jadwat (Estates) and Lolly Fritz (Admin) both on 14 March; and Keegan Shaw (Litigation) on 29 March. May the sun shine brightly and bring you much joy.

WE LOVE FEEDBACK

We always love hearing from you. Whether it is to solicit advice, or to give us feedback, we value communication. We also love to share some of the many delightful messages we receive. They certainly inspire us to keep doing what we love!
