SERIOUS ABOUT LAW | PASSIONATE ABOUT PEOPLE

FEBRUARY 2023

Making a Difference in 2023

A MESSAGE FROM OUR PARTNERS

At Pincus Matz we understand that every legal matter revolves around people and their unique needs and interests. These are often highly emotive situations, and require more than just a textbook solution.

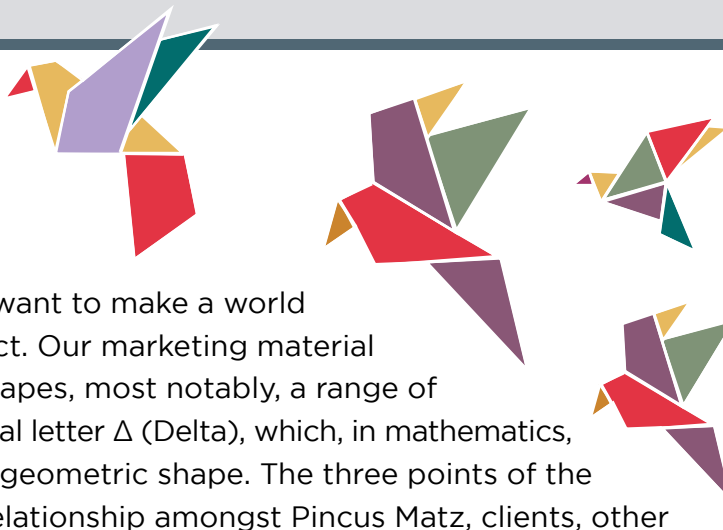

We listen. We care. We find the best solution within legal parameters.

Our client is always at the core of our work; and we pride ourselves in offering tailor-made legal solutions because everyone is different and has different needs and expectations.

Pincus Matz is serious about law and passionate about people!

**Being different is to demonstrate that innovation is not only possible, but necessary.
To be different is to believe that there is not only one way of doing things.**

A Different Concept

A FEW WORDS FROM OUR MARKETING TEAM

Pincus Matz is celebrating 'difference' in 2023, and we want to make a world of difference in the lives of those with whom we connect. Our marketing material is taking on a different look; from colours, styles and shapes, most notably, a range of triangular shapes. We have chosen to use the Greek capital letter Δ (Delta), which, in mathematics, is used to represent 'difference'. It is also the strongest geometric shape. The three points of the triangle remind us of key aspects in our business: the relationship amongst Pincus Matz, clients, other role players and the desired outcomes of all, both current and future.

- ▶ do things differently
- ▶ embrace difference
- ▶ make a difference.

EMBRACING DIFFERENCE DOING THINGS DIFFERENTLY MAKING A DIFFERENCE

The Greatest Little Birthday Club in Town

The Pincus Matz Birthday Club remains a favourite get-together on our calendar.

In keeping with the 2023 theme, we found a different venue, Buitenverwachting Coffee BloC, at which to host the first breakfast this year.

Every guest plays a significant, yet different, role in making Pincus Matz a better place.

We Love this ...

The dictionary says that "making a difference" is defined as: "... to do something that helps people or makes the world a better place." This February we marry the concepts of celebrating love and making a difference. Whether you are declaring your love and commitment in an antenuptial contract, buying a property for the one you love or leaving your legacy to your loved ones in your will, let Pincus Matz be part of making your world a better place.

Welcome

We welcome Berenice Howes to the Pincus Matz team. Berenice, affectionately known as Berry, has joined our Bookkeeping Department as an Administrative Assistant. Berry worked as a legal secretary for 33 years and in that period as a bookkeeper for 8 years. In her free time, she enjoys doing charity walks with her husband, David, watching rugby and cricket, and reading. We hope that Berry will be very happy in her new working environment at Pincus Matz.

Embracing Difference

There was much to catch up on after the busy year-end break. Everyone was in high spirits at the staff lunch, sharing the different ways we had celebrated. We look forward to working together to make a difference in 2023!

Staff Appreciation Awards

Congratulations to Martine Murphy and Rachenda Smith who are the recipients of the most recent Pincus Matz Staff Appreciation Award.

Martine, a Professional Assistant at the firm holds her LL.B from the University of the Western Cape. She is professional in her approach and friendly to both clients and colleagues.

Rachenda, who has been with Pincus Matz for almost 25 years, works in our Property Department. Her experience in this field ensures that transactions are managed efficiently.

Well done to you both!

Best Wishes

Our very best wishes go to Robynne Landore, our Candidate Attorney in the Estates department, who celebrated her birthday on 16 February.

Robynne recently played in the Cape Town 10s netball tournament and her team, The Waterboys, was placed second in their category.

Ethics is knowing the difference between what you have a right to do and what is right to do.
