A World of Difference

A FEW WORDS FROM OUR PROPERTY TEAM

Buying or selling a home is exciting and can even be an emotional time. From arranging finance to understanding the many documents that need to be signed, it is reassuring to know that Pincus Matz Attorneys is there to guide you, and to bring all the complex processes together, to ensure a successful registration.

MAKING A DIFFERENCE TO PROPERTY BUYERS & SELLERS

We have joined the Cape Chamber of Commerce

Belonging to the Chamber offers businesses access to an established network where we can meet, engage and thrive. The Chamber is a platform for being heard, finding and maximizing opportunities. Pincus Matz believes that our membership will not only benefit the firm, but also our staff, and ultimately our clients.

Wishing you and your loved ones a blessed EASTER WEEKEND

The Greatest Little Birthday Club in Town

What a delightful time we had in March, celebrating the birthdays of clients and associates at Simon's Restaurant, Groot Constantia. To tie in with our 'different' theme we are finding different venues at which to host our breakfasts.

Going Beyond Remarkable

Chardonnay Deli in Constantia was the venue for *Women Going beyond Remarkable*. Matina Angeliniadis attended the event as a guest of Citadel Wealth Management. In the photo with Matina is Charmaine Lilje, the owner and founder of Chardonnay Deli, and Renchia Droganis, owner and founder of Africology.

Staff Appreciation Awards

The Pincus Matz Staff Appreciation Awards are designed to motivate and encourage everyone at the firm to continually strive to be exceptional in everything we do. Every year we introduce a new theme that relates to the firm's marketing theme for that year. Alison Tooley, Melanie Wilson and Amanda Ndwanya were the happy recipients of the last Sunflower Awards. Well done ladies, and thank you for your commitment and smiles at the office. Your efforts do not go unnoticed.

Introducing the Pincus Matz Butterfly Awards

Meet our first two recipients of the Pincus Matz Butterfly Awards; Faiza Cader and Abubaker (Boebie) Hendricks. The award is presented in appreciation of work ethics and efforts according to our values and culture. The butterfly catcher is a token that is displayed in the workspace and winners are presented with a certificate and a lovely butterfly brooch.

We asked our winners to tell us what they do "differently" for the firm. Faiza says that she brings in a smile every morning even on a tough day, while Boebie said that he goes the extra mile for the firm. They both confessed that burgers are their favourite food – Faiza choosing McDonalds, and Boebie insisting that Burger King rules.

"... the butterfly signifies the power of transformation and the incredible feats we can achieve when we trust ourselves. We all have the ability to listen to our innate wisdom, guide ourselves through difficult times, and emerge better and stronger than before."

Thanks for all the hard work. We really appreciate it. You guys were awesome and we will definitely recommend your services to others as well as use you in the future. Nicole Short
