Making a Difference through Relationships

"A great relationship is about appreciating the similarities and respecting the differences." – Anon

Being passionate about people makes a significant difference to the typical working day at Pincus Matz. Not only does it drive us to deliver exceptional legal services, but it allows us to build and nurture the relationships that we have, with our clients, our colleagues and our associates.

"In a relationship, when two people share an umbrella, they can survive the storm together." - Anon

A favourite way to nurture and nourish valued relationships

In keeping with our 2023 theme, we fluffed up our feathers and tried a different venue, the Chardonnay Deli in Constantia, for the Pincus Matz Birthday Club breakfast in May.

One more thing before you say 'I do' ...

Fabrics and flowers, manicures and comfortable shoes – there is much to do before you step into your new life together. One of the most important things is to contact an attorney to formalise your legal matters.

Pincus Matz Attorneys – a boutique law firm specialising in Ante-nuptial Contracts, Property Law and Wills and Estate Planning – would love to walk this exciting life journey with you.

The magic of relationships

Since 1929, Pincus Matz has been building and nurturing relationships. While we are serious about law, we are also passionate about people, and strive to be the preferred long-term legal advisor to our clients.

If you are looking to formalise a special relationship, you may have seen our advert on the REAL BRIDES portal, at <https://realbrides.co.za/wp-content/uploads/2023/05/Real-Brides-May-2023-1.3.pdf>

One more thing before you say 'I do' ...

Book your consultation by calling us on 021 797 8191 or email us at info@pincus.co.za and we will discuss current legal positions, the types of Antenuptial Contracts and the implications of making certain choices with you. It is imperative that you and your partner both attend the initial consultation.

What is an Antenuptial Contract?

An Antenuptial Contract is entered into by a couple who decides not to be married 'In Community of Property'. It stipulates whether the 'Out of Community of Property' marriage will be with, or without, the Accrual System. The contract must be signed by both prospective spouses in the presence of a Notary Public before the marriage, and must then be registered in the Deeds Registries office within the prescribed time period.

The positive impact of CSI contributions

As part of our CSI, Pincus Matz recently made a donation to **Focus Facilities Solutions**, a Level 1 - 100% Female Black Youth owned business that aims to provide the best professional cleaning and hygiene services to all our clients, big and small. They recently did a sterling job cleaning the Pincus Matz office space and carpets. Our contribution has enabled the purchase of radios for better communications between teams. Because of the vast area in which the teams often work (e.g.: stadiums and 10-storey buildings), they can now find each other quickly, and no longer rely on cellphones.

The positive impact of our investment has led to better communications and much improved productivity for **Focus Facilities Solutions**. You can contact them on: 083 231 2227 / 021 754 2396 or robyn@focusfs.co.za

Uninterrupted Connectivity

Uninterrupted Connectivity

Pincus Matz now has an inverter! So when the power is out, our office is still on, and we can keep on working and keep things moving.

We stepped up and put our best feet forward in support of Wimpy's SLIPPER DAY - Reach for a Dream fundraiser. The project aims to fulfill the dreams of youngsters fighting life-threatening illnesses. Pincus Matz has been supporting this drive for over 10 years.

Butterfly Awards

Congratulations to Robynne Landore and Alison Tooley who received Butterfly Awards as part of our Staff Appreciation Programme. Well done ladies, and thank you for your commitment. Your efforts do not go unnoticed.
