

## Women making a Difference

"The women were courageous, persistent, enthusiastic, indefatigable and their protest against passes set a standard for anti-government protest that was never equalled." — Nelson Mandela

The boldness of South African women has contributed to significant change in our country. As we remember the 1956 march to parliament by some 20 000 women, may we also remind ourselves that every woman has the power to make a difference in someone's life.

Pincus Matz is here to advise you on the legal aspects that will make a difference in your own life, including business decisions, property transactions, fiduciary and family matters.

#### **Making a difference** in the media . . .

"If you have knowledge, let others light their candles in it." - Margaret Fuller

We believe that making informed decisions on legal matters can make a significant difference; so we welcomed the opportunity to share our knowledge of property law in the press recently. If you missed the article you can find it on our Facebook page, or email us at info@pincus.co.za

#### Women, Weddings and an AV

Pincus Matz is excited about the launch of our

audio-visual on Real Brides Virtual Wedding Expo. A first for the firm, the 3-minute AV was compiled by the women on our marketing team, with a little outside technical help. Do take a peak and let us have some feedback, visit:

## Women, and a few good men, celebrate life.

The lovely Botanicum Cafe & Grill in Constantia was the venue that we chose to host the Pincus Matz Birthday Club breakfast at in July. Visit our Facebook page for more photos.

### Making a difference to rural men and women

The Jabulani Rural Health Foundation received a financial contribution from Pincus Matz, as part of our CSI programme. Our donation was allocated to their Creative Artisans Entrepreneurial Development project. The project aims to empower people with disabilities to become economically active by producing and selling their crafts. From beadwork and pottery to sewing and woodcraft, these unique items are for sale at the Jabulani Coffee Shop. Participants in the programme are mentored and receive foundational business skills training. Our donation allows the programme to assist the entrepreneurs even further, and to increase their market reach.

Jabulani is a non-profit organisation that supports Zithulele Hospital and its surrounding community. To find out more, visit https://www.jabulanifoundation.org or email Cathy at info@jabulanifoundation.org

For 25 years, Rachenda Smith has been serving the clients of Pincus Matz. She joined the firm as a conveyancing paralegal in 1998, and Rachenda continues to be a valued member of our Property Law department. Thank you for your dedicated and valued service!

Well done ladies, and thank you for your commitment. Your efforts do not go unnoticed.

## A woman with new plans

We said goodbye to Faiza Cader last month. Faiza leaves the Pincus Matz team, after serving in our litigation department for four years.

We wish you every success in your future plans Faiza.

# Something different going on in the boardroom

Once a month the Pincus Matz boardroom transforms into a hive of activity when we get together for our staff lunches. In keeping with our 2023 theme, our June lunch was about "Seeing things Differently" and saw us sporting some interesting eyewear.

Last month we enjoyed a festive "Christmas in July" with decorations both on and off the table to suit the scene. We tucked into a sumptuous meal, which included a selection of decadent, festive desserts. More photos on Facebook.
