

The partners and staff of Pincus Matz take this opportunity to wish you and your loved ones a wonderful and blessed Christmas holiday and a prosperous 2015.

## Aged to Perfection : celebrating 85 years of legal service in Wynberg

When Ben Matz and John Pincus joined forces to form the Wynberg-based law firm Pincus & Matz in 1929, they probably had no idea that the firm would grow into one of the most respected legal practices in Cape Town. We wonder if they even considered the excitement and work that went into planning our 85th birthday celebration. Judging by the ethos that has been instilled at Pincus Matz, our guess is that they focused on service excellence, through building solid relationships; that they were serious about law and passionate about people! We are proud to carry on with that tradition. Judging by the lovely emails and gifts we have received, our guests enjoyed the recent function at Kelvin Grove as much as we did. More photos of the event have been posted to our Facebook page.

## The Greatest Little Birthday Club in Town

This year saw our Birthday Club hosting cocktail parties at our offices. Both alcoholic and non-alcoholic cocktails were served - all delicious and all with a touch of red, of course. As our 85th celebrations draw to a close, our final 2014 Birthday Club get-together was held at Cellars-Hohenort where we enjoyed a scrumptious breakfast. More photos on Facebook.

Our partners pose with some guests at the last Birthday Club cocktail function held in September.

The last Birthday Club function for the year was a breakfast held earlier this month.

## Annual Staff Lunch

December is the month to celebrate and we took some time to enjoy one another's company away from the office. This year our staff enjoyed festive cheer and a yummy meal at Ocean Basket in Plumstead. As the year draws to a close, we all look forward to spending time with our loved ones.

You can find more function photos and happy faces on our Facebook page. Give our page a 'like'.

## December Birthdays

Our very best wishes go to the three ladies in our firm who celebrate their birthdays in December. May the year ahead be filled with happiness. Happy Birthday Matina Angeliniadis, Colleen King and Melissa Hans!
