## When it comes to women, Pincus Matz understands

In a firm, where three out of four partners, and fifteen out of seventeen staff are women, you can rest assured that at Pincus Matz we certainly understand the challenges that women face in their daily lives; from family matters, to running a business, to planning for the future. Whatever their unique legal needs might be, the heroines at Pincus Matz, Abby, Alison, Caryn, Karen, Lamese, Laverne, Mari, Matina, Melanie, Martine, Melissa, Pat, Rachenda, Surada, Vanessa, Yvonne, Yasmin are at your service. They balance family and business life so that they can make Pincus Matz the special place that it is.

## Celebrating 10 years of service

Karen Napoleon joined Pincus Matz in 2007, working under the guidance and leadership of Yasmin Jadwat in the Estates Department. Today she is the 'face and voice' at the firm's reception desk, and also assists in the book-keeping department. Karen is friendly, competent, efficient and service-orientated. She brings energy and fun to our staff gatherings, and we hope for many more decades with Karen at Pincus Matz.
