

Pincus Matz Connect

Our August Pincus Matz Connect meeting celebrated Women's Day with an exclusive morning tea in the company of the lovely Wilma van der Bijl, who was crowned Miss South Africa 1987. She shared her journey as Miss SA and as a breast-cancer survivor. Bite-sized treats from Camille's Cakes and our guest celebrity made the morning extra special.

We collect for the SPCA

Pincus Matz staff collected money on Mandela Day to donate to their chosen charity, the SPCA. Pictured here is Dalene Coetzee (Pincus Matz) handing over the envelope to Alma from the SPCA.

Long service awards

Congratulations to Melissa Hans and Abby Bassadien on their 10 Year Long Service Awards, and to Rachenda Smith and Pat Johnson who received their 15 Year Long Service Award.

The Best Little Birthday Club

Once again we had a great time celebrating birthdays with the extended Pincus Matz family. August saw us tuck in to a delicious breakfast at the exquisite Cellars Hohenort, while our September birthday guests enjoyed a hearty buffet breakfast at the ever-popular Vineyard Hotel. While the venues and the food add to the atmosphere of the celebrations, it is the company and the conversations that make these birthday breakfasts really special.

Pincus Matz scores 100%

We were delighted at the ABSA Performance letters rating us as one of their Top Performing Attorneys, and giving us a 100% score for both July and September. Thank you to the Pincus Matz staff who have worked hard to maintain our high standard, and in turn, ensure that our clients get the best and fastest service.

6 things you should know about Collections

1. Do not wait too long to hand the debtor over, as the older the debt the harder it is to recover.
2. If your debtor has absconded, we appoint tracers who will quickly ascertain the debtor's whereabouts.
3. We have sophisticated software and a highly trained and experienced team to leave you to your core business.
4. The Sheriff serving a summons or a warrant of execution on the debtor will prioritise your debt in the debtor's eyes.
5. A judgment against the debtor's name prevents the debtor from obtaining further credit.
6. We aim to reduce your bad debt, increase your profitability and boost your cash flow.

Hats and glasses set the mood

We say a very happy birthday to our June birthday girls, Nicolette, Vanessa and Rachenda, whose birthdays we celebrated in August - due to the fast season and Jeanette's untimely passing. May the year ahead be filled with much joy and happiness for each one.

Our Pincus celebrity

Well done Vincent Neer on your lucky win. We look forward to some braai tips from Vincent.

Pincus Matz staff pose for a group photo to show off their choice of hats and glasses. Every now and then, we enjoy taking time from routine to have a little fun.

A great combination

This year we combined Casual Day and Secretaries' Day. While we think the ladies all look suitably casual, we wonder if that is really senior partner Les Masterson's most "casual" outfit. Very smart!
