

A time to adapt to the new normal

While the Covid-19 pandemic has thrown some radical challenges at the world, Pincus Matz has made the adjustments that are necessary for us to serve our clients in accordance with the official regulations. Alison Tooley, who manages our IT division, has ensured that systems are in place to cope with online and telephonic consultations. Appointments can also be made for personal consultations if and when necessary – masks and regular sanitiser included! Clients can contact us about property transactions, personal and commercial matters on Mondays to Fridays from 9am to 4pm, and also to discuss the progress and appropriate action for matters that require collaboration from the civil services, eg. Deeds Office and Master's Office and Courts.

We wish you all good health at this time!

We miss our time together!

The Greatest Little Birthday Club in Town sends very happy birthday greetings to all our friends, clients and colleagues who have celebrated their birthdays during the lockdown. We miss the special celebrations that we have enjoyed with you in the past, and look forward to seeing you all again when your health and ours, is no longer at risk. May the years ahead be kind and gentle to you all.

It's time to say hello!

Pincus Matz would like to introduce four ladies who joined the firm some time ago, but who you may not have had the opportunity to meet yet.

I completed my BCom law degree in 2019. I am currently a legal administrator at Pincus Matz. One reason I particularly enjoy this job and the environment I work in, as well as the challenges that go along with it, is the opportunity to connect with people. My real strength is my attention to detail. I pride myself on my reputation for following through and meeting deadlines. When I commit to doing something, I make sure it gets done. My hobbies include spending time with family and spending time with nature.

Faiza Cader
Admin Assistant
Litigation

I am an LLB graduate from the University of the Western Cape. I am currently completing my articles at Pincus Matz and aim to become an admitted attorney. I am a charismatic individual who loves interacting with people. As a team player I work well with others, and am capable of assisting in any area. I have a 'never quit' attitude, and my grit and determination enable me to always do my best. Away from the office, I enjoy a number of recreational activities from sports to gardening – and love the outdoors.

Chelcie Erasmus
Candidate Attorney

I am a mother of 3 beautiful children and love spending time with my family. I enjoy dancing and listening to music. I joined PM nearly 2 years ago as an admin assistant in the estates department and I am still enjoying every moment of what I do. I have learnt so much since I came here and had only the best guidance and support from my team. We are like one big family and that's what I love the most!

Nuha Jacobs
Admin Assistant
Wills and Estates

After 18 years in retail I needed a new challenge and joined Pincus Matz. I have always had a passion for law, and have joined a firm that believes in its people and has great respect for clients – always taking others needs into consideration. At home I enjoy cooking and taking care of people, so my role to ensure that the domestic side of the firm is up to standard, suits me. I am honoured to be part of this dynamic team and the diversity that it stands for, and I hope to grow and improve myself within the company.

A woman's relationship with time isn't determined by what she does or how much she is able to accomplish. Rather it's determined by how she feels about what she does.

Why we chose Rose Gold as our 2020 colour

Following on from our 90th celebrations last year, we believe that the attributes of rose gold relate so well to the history and character of Pincus Matz. At the time that Pincus Matz was founded, rose gold was a fashionable choice in jewelry and brands like Cartier featured it prominently in their lines. As a metal it is strong and does not tarnish. It has value and is easy to maintain. It is versatile and pairs well with other metals and gemstones. As a colour, rose gold is associated with style and elegance and is considered a 'gender neutral' hue. Its appeal is broad, and today it features on everything from cellphones to cars ... and even on marketing products of the boutique law firm in Wynberg called Pincus Matz!

When it's time to sing Happy Birthday ...

Singing *Happy Birthday* with a face-mask covering your mouth, while standing a socially acceptable distance away from others, has become the new normal. Since we cannot enjoy our usual monthly staff lunches and birthday celebrations in the Pincus Matz boardroom we have had to come up with another plan. At the agreed hour, we all come out of our offices to sing *Happy Birthday* and offer our best wishes to the colleagues who celebrated birthdays. One of the firm traditions at Pincus Matz remains: and that is that you receive a box of chocolates at your birthday celebration. Through all the changes, Pincus Matz remains "Serious about Law and Passionate about People!"

It has been a time of good wishes

Our very best wishes go to Alison Tooley, Melanie Wilson, Chelcie Erasmus, Laverne Nolan, Les Masterson and Amanda Ndwayana who all celebrated their birthdays recently.
