

FNB at Pincus Matz

A warm appreciation to the members of FNB Business Banking who recently visited our office and enjoyed an informal get-together with our partners and staff. Here Aggie and Vanessa pose with our guests, Heinrich, Enrico and Megan.

The Best Little Birthday Club

A is for April, it is also for Alphen. So the La Belle Café was the ideal venue for our April Birthday Club.

In May we hosted a breakfast at the Cellars Hohenort. What a lovely morning and a great turnout.

Thank you all for taking the time to celebrate with us. We really enjoy sharing in the birthday celebrations of our valued clients - because we are afterall, serious about law - passionate about people.

Something special

What can you expect from a valued client who owns a business that specialises in making your day extra-special? Les Masteron was entertained by a saxophonist and received a balloon bouquet from Ring a Rose. What a lovely birthday surprise!

Freedom Party

Juicy boerewors rolls and syrupy koeksisters, inspired by Freedom Day, were the ideal fare for this month's staff lunch and celebration of Aggie, Melanie and Alison's birthdays.

Where there is a Will, ... there is a way!

It is both advisable and wise to ensure that your will is in line with your estate plan, meets the needs of your family circumstances and is regularly updated to keep abreast of changes in your own circumstances, your family's circumstances and current legislation. We have the knowledge and expertise to assist you in this regard and to ensure that your will is both valid and enforceable.

There is nothing quite as gratifying as seeing a client move on with their lives, thankful that, for them, you have made a life-changing difference.

True story

We were young. We were happy. We had dreams. We had our rings. We had the date. We even had a will. And then he died. We never wore our rings. We never saw the day. And the will was never realised... all because it had not been witnessed. True story. I didn't fight it. I could have. But I did learn the importance of dealing with the right people when it comes to legal and financial matters, and I am so proud to be associated with Pincus Matz. *Carmen Brander*

We love special occasions

Our work is often about special occasions, so we felt it fitting to share this lovely photo of partner Matina Angeliniadis when she recently attended a banquet in honour of His Beatitude - The Pope and Patriarch of All Africa Petros V (left) on his recent visit to South Africa. With them in the photo are Metaxia Carvounes of Durr Estates and His Eminence Archbishop Sergios- Archbishop of the Cape of Good Hope (right) both valued clients of Pincus Matz Attorneys.

Just a quick note to say thank you so much for including me in your distribution list. I am indeed impressed. Well done, your Newsletter looks great and is put together very professionally! I like the selection of articles and had a very personal liking to the article covering the easter egg distribution at the Zithulele Hospital. I hope you have all my colleagues included in your distribution list. Thanks so very much!

Very many thanks for a wonderful breakfast this morning - great food, delightful venue and excellent company which we much enjoyed. However, you beat us to the punch in saying thank you by sending your very kind email and photographs before we could thank you first! Much appreciated and we are extremely proud to now be members of this rather special Club. Thank you so much for spoiling us so much. With warm regards and all good wishes,
John and Marian (Cybersmart)

Thank you for a lovely morning. It was good to meet you all in such beautiful surroundings and over a delicious breakfast. Best wishes,

To the Pincus Matz Easter Bunny

A rather belated, formal thank you for the enormous box of eggs that arrived at our door step just before Easter. We were away for the weekend, so we had to delegate the Easter Bunny role to the Gaunt family this year. They had such fun giving out eggs to the patients and staff that we will have to arm wrestle for the honour in future! There were even some eggs left over. We put one box into a care pack for the Zithulele preschool teacher who lost two of her sons in a car accident on the Easter weekend. The rest went out with the Mentor Mothers who go door to door looking for malnourished children in the community. Easter eggs would have been an unusual treat for the children they see. Thank you so much for all the effort you put into collecting and sending the eggs to us. It is so appreciated.
