2019 — a year of celebrations

2019 has been a year of celebrations at Pincus Matz, as we acknowledged 90 years of commitment, vision, determination, perseverance, hard-work, passion and above all long-lasting relationships, that built this law firm. It has been a year of several smaller celebrations, which meant more individual connectivity — one of the things that Pincus Matz values. We hosted five High Teas at some of Cape Town's best venues and enjoyed a bit of song and dance to end off the year at Kelvin Grove. Thank you to everyone who joined us to make the celebrations memorable. Visit our Facebook page for more photos.

High Tea to celebrate Ninety

The last of the Pincus Matz High Tea celebrations this year was held at The Vineyard on 9 December. It was a wonderful opportunity to connect and enjoy a lovely spread in a relaxed setting. For more photos, please visit our Facebook page.

Staff lunch celebrations

Each of our 2019 boardroom staff lunches focused on one of the nine decades in which Pincus Matz has been in business. The Fabulous Fifties was the theme in December

with staff arriving in their finest attire and enjoying the fabulous fare. For our year-end staff luncheon we sang and danced to music across the decades at Stardust restaurant.

Birthday greetings

Our very best wishes go to Karen Napoleon, Faiza Cader and Matina Angeliniadis who recently celebrated their birthdays.

Please note that our office will close at midday on 24 December 2019 and reopen on 6 January 2020.
